Pre-Surgical Clearance Order Form

Patient Name _____

Referring Provider _____

Basic Clearance

Pre-Surgical Exam & Labs

Price \$225.00 inclusive of the following

- Physical Exam to determine Medical Clearance
- CBC (Complete Blood Count)
- CMP (Complete Metabolic Panel)
- PT/INR

Pre-Surgical Exam, Labs & EKG

Price \$275.00 inclusive of the following

- Physical Exam to determine Medical Clearance
- CBC (Complete Blood Count)
- CMP (Complete Metabolic Panel)
- PT/INR
- EKG (Electrocardiogram)

Additional Tests

As indicated either by surgeon/anesthesia request or based on clinical findings during exam:

- HgA1c if diabetic or elevated blood glucose
- UA (Urinalysis)
- CXR (Chest X-ray)
- COVID Test (Current prices, performed at The Center)
- MRSA Screen (Sent out to lab, will be billed by the lab)
- PTT (Sent out to lab, will be billed by the lab)
- Other: _____

The total price of your pre-surgical evaluation will vary based on the tests required by your surgeon and your underlying medical conditions.

For the tests performed 'in-house', results will be available the day of your visit. Some tests such as PTT require a 'send-out' to a different lab. We normally get results back within 24 hours.
